Program Description

Elite and Majors

The Elite group is for Super Champ, Champ, or High School varsity level players who are self motivated and wanting to bring their game to the next level. Majors group are for our junior players just beginning to play USTA tournaments. Drills will focus on strengthening the players all around game through on court and off court drills, match play, and conditioning.

10 and Under Tennis Future Stars (orange ball) and Super Stars (green ball)

This class will incorporate the USTA developmental program of using modified versions of the net, tennis balls, racquets and court dimensions which will develop the overall feel for ball control, coordination, and movements.

Tiny Tots

This class will use the modified tennis court, net, balls (red balls) and racquets. Games and drills to develop motor skills and beginning tennis skills with an emphasis on fun!
